

The floor plan of the second floor shows a large central hall with several rectangular tables and chairs arranged for seating. To the left, there is a large room with a curved wall and a circular feature, possibly a staircase or a large window. To the right, there is a long, narrow corridor or hallway. The plan also shows various smaller rooms, including what appears to be a kitchen or service area on the left, and a large room with a curved wall on the right. The overall layout is complex, with many rooms and corridors.
